## TERMS AND CONDITIONS

Unless Dayla Limited ("Seller") expressly accepts other terms and conditions by means of written amendment to these terms and conditions ("Contract Terms") signed by a Director of the Seller, the Seller shall supply goods solely on the Contract Terms to the exclusion of any other terms and conditions. Any purported variation of the Contract Terms whether by endorsement or reference to any purchase order or other document shall have no effect.

The Seller's employees or agents are not authorised to make any representations concerning the goods supplied unless confirmed by a Director of the Seller in writing. In entering into any contract with the Seller the Buyer acknowledges it does not rely on any such representations which are not so confirmed.

### 1. Payment terms

- a. Payment for goods supplied shall be received by the seller in full on or before the 20th day of the month following the month of invoice or by such other dates as shall be specified by the seller in writing. If payment is not made within the agreed credit period, the seller may, without notice, cancel any discounts offered and reserves the right to charge interest on overdue accounts in accordance with the late payment of commercial debts interest act regulations 2002. All costs incurred on the collection of overdue amounts or in the repossession of goods will be to the account of the customer.
- b. Payment by the due date is a condition precedent to future deliveries under any contract between the seller and the buyer.
- c. The seller shall be entitled to appropriate any payment made by the buyer to such of the goods (or the goods supplied under any other contract between the seller and the buyer) as the seller

### 2. Prices

Goods shall be supplied by the Seller at prices ruling on the date of dispatch. The Seller shall use every endeavour to provide current price lists and to give the Buyer notice of alterations in prices of goods made by the Seller. All prices are subject to alteration without notice and the Seller may at any time increase prices if there is an increase in Excise or other duty tax or impost levied on relevant goods. Prices quoted do not include V A T unless specifically stated.

### 3. Delivery

Unless otherwise agreed, the Seller shall determine the method, date and time of delivery

- b. Property in the goods delivered shall remain with the Seller until the Buyer has made payment in cash or in cleared funds of the full purchase price, together with payment of all other sums due from the Buyer to the Seller on other accounts. The Seller may repossess and dispose of any goods in which it has property and the Buyer grants all rights required by the Seller to locate, to gain access to, to mark and remove them. Until property in the goods passes to the Buyer the Buyer shall hold the goods as the Seller's fiduciary agent and bailee and keep the goods properly stored, insured and identified as the Seller's property. To the extent of the Buyer's indebtedness from time to time to the Seller in respect of goods supplied by and on behalf of the Seller the Buyer shall be under a fiduciary duty to account to the Seller for the proceeds of all sales by the Buyer of the goods in which the Seller has property. In selling such products the Buyer shall act as principal and not for any purpose as the Seller's agent.

### 5. Acknowledgement of Receipt
